GARDENS at SAGAMORE, MASS.

CAPE COD

New Location of Sagamore Gardens

They are located one quarter of a mile from the Cape Cod Canal going down the Cape on Route 6 on the left hand side. Route 6 starts from the canal bridge and route 3 leads into it from Plymouth, Mass. The gardens are on the boundry line of Sagamore and Sandwich.

At the entrance to my gardens visitors will find an Inn where good food may be had at very reasonable prices and the owner Mr. West also operates a gas station here which is never closed. Be sure and see the world's finest dahlias at my gardens this season.

SEED

<i>100 Seed from my trial gardens</i>	\$4.00
---------------------------------------	---------------

<i>100 Mixed seed</i>	\$2.00

Order early as I only have a little seed to sell this season

GREETINGS

FOR 1935

To all my friends and customers and to all dahlia lovers and growers everywhere I extend my hearty greetings for a happy and prosperous NEW YEAR. The business depression which has hit every industry including the dahlia growing is very slowly but surely lifting and the whole world is looking forward with hope to a new year of increasing activity.

Dahlia fanciers have shown marked interest the past year in the miniature and pompom type of dahlias and many new varieties have been shown. Mignons, minatures, shows, cactus and decorative types in lovely colors are now for sale. These small dahlias not only make a fine showing in the garden as they bloom very profusely but are also excellent for cut flowers. I will have a fine display of these as well as hundreds of the larger varieties in my gardens this coming summer. I hope to welcome many visitors there this season as in the past.

Very truly yours

Dr. Shirley Smith Shattuck

SAGAMORE GARDENS

A FEW EXTRACTS FROM LETTERS CONCERNING MY CREATIONS

Dear Sir

Recently I visited the dahlia garden of Mrs. ——— at Milwaukee and saw there the finest yellow dahlia in bloom I ever saw. In fact, I did not dream there was such a fine yellow in existence. Mrs. ——— was not at home and the party who escorted me through her gardens did not know anything about it. On the stake was a tag with the name "King of Yellows". I searched through my dahlia catalogues to find this variety listed but in vain and yet I felt that I had seen the name before. Finally in turning the pages of the American Dahlia Society Bulletin I saw your advertisement, and am writing to find out if this fine dahlia I saw in Milwaukee is the one you advertise by that name.

Sincerely,
Mr. G. R. C.

Baltimore, Md.

Sagamore Gardens.
Dr. S. S. Shattuck,
Dear Dr.

I guess by this time your fields are loaded with blooms and you are satisfied with this season.

I am growing A. Legion, The Commodore, Full Moon and the King of Yellows and I want to say the first three mentioned do not stand a show against the King of Yellows.

All of our visitors cannot stop talking about it. I showed three blooms at Atlantic City and it was the talk of the show. Now the Baltimore Show is next week and I would like to show in there but do not think I will have any open then. Could you ship down about 12 blooms as I know it will bring you wonderful results in selling roots? Hoping to hear from you at once I remain.

Yours truly,
S. K.

From Frederick Dixon, Scotch Plains, N. J.

Last season when Dr. Shattuck urged me to buy this dahlia I wondered? Well no need longer to wonder, it is a beauty and I regret that I have not more of it. This dahlia will need very little if any boosting, even if in competition with A. Legion.

From the State of Washington.

Your King of Yellows is a dandy and I have a nice stock of it, also your Sagamore Prince. I had a display at the Western Wash. Fair for a week and a basket of twelve blooms of Sagamore Prince setting on the floor stopped everyone that saw it. All the blooms were on top and that is the way to display top bloomers.

From the State of Indiana.

Please send me your dahlia catalogue for 1935 as soon as it is ready. I grew your President Roosevelt and Sagamore Prince the past season and they were just great. Full of blooms all season and held their size. I also visited a friend in Indianapolis and I saw his Pres. Roosevelt and it was also large and beautiful. These were two of the best dahlias I had the pleasure of seeing this past season.

GROW CAPE COD TUBERS — — — NONE BETTER

SAGAMORE GARDENS

QUOTING DR. W. E. KENNEDY IN THE MID WEST DAHLIA NEWS FOR APRIL 1934 ON ANGELA MIA AND SAGAMORE PRINCE.

"ANGELA MIA. F. D. White of good size and depth, near ball shape, is a profuse bloomer, insect resistant and the bloom will stand more hot sun without burn than any dahlia in my garden. I left the blooms on in the hottest sun to test their endurance. This is not a huge flower but in every other way dependable and desirable."

SAGAMORE PRINCE. A formal decorative to near informal. Again not huge but such a quality red has not yet favored my vision. An intense, deep, restful red that the eye seemingly feels its depth like the fingers touch to velvet. Petals uniquely and artistically placed to form a most satisfying bloom. Never late, and generous in the extreme with bloom. A plant with foliage that will put any plant to a test to equal its endurance."

QUOTING A LETTER FROM CALGARY, ALBERTA, CANADA

"I want you to send me a collection of your dahlias, and you send me whatever you can for the amount of money enclosed. Of course what I am interested in are large blooms, I do not want any small ones nor any droopers. You just send the best you can and if you have got to duplicate something I have it is alright with me. I have been so pleased with your collection I have had for the last two or three years that I want to continue to get them. The bulbs are small, but they grow into the most magnificent flowers you ever saw, some of them have been as large as 12 and 14 inches across, and believe me you grow real dahlias.

KING OF YELLOWS

HONOR ROLL DAHLIA in the American Home Magazine for 1934. I claim this is the best informal decorative dahlia to date. It has a Certificate of Merit from Storrs. The color is a beautiful, buttercup yellow, held on a perfect stem, holding the flower well above the foliage. This flower is large and will go 9 inches without disbudding. If grown to 4 canes and disbudded it will go much larger. The blooms are very deep and the petals are very narrow and fold over making it very beautiful. The foliage is perfect and insects have not bothered it.

Tubers \$7.00. Plants \$3.50

MY INTRODUCTIONS FOR 1934

MANOMET

One of the best cactus dahlias that I have had the pleasure of growing. It is a very beautiful orange, spotted darker. Very large, going to 12 inches. Grow to 4 canes. The flowers are held on good, long stems, well above the foliage. It is a very fine keeper as I have had it in vases for 5 days without changing the water.

Tubers \$7.00 Plants \$3.50

PRES. FRANKLIN DELANO ROOSEVELT

This is a formal decorative that has a Certificate of Merit from Storrs. A Chinese red with fawn edge and cream reverse, making the blooms very striking. The flowers are very large and deep, going to 8 inches without disbudding and holds its size all season. The blooms are well above the foliage on good, stiff stems. It is a profuse bloomer and should be disbudded and it can then be grown to 8 canes without reducing the flowers to less than 9 or 10 inches. The foliage is perfect and insect resistant.

Tubers \$6.00 Plants \$3.00

SAGAMORE GARDENS

RIPPLES

This is an informal decorative. A very large flower of eight inches without dis-budding. The rose pink colored blooms are held on very long stems way above the foliage. I have a large stock on this so will let it go for \$3.00 a tuber, \$1.50 a plant. A bargain.

SOUTH POLE

A beautiful new white formal decorative with a light pink shade at the base of each petal. This is a beauty for a cut flower. Blooms are large and it keeps well. Stem is very good, holding the flowers well above the foliage.

Tubers \$5.00. Plants \$2.50

SUZETTE

A very beautiful solid clean, dark rose colored formal decorative. It has a very long stem, blooms are large and held well above the foliage. I have never seen a dahlia as dark a rose color as this one. It is different and worth growing.

Tubers \$5.00. plants \$2.50

TIP TOP

Magenta and white formal decorative. This flower would have to be seen to be appreciated as the two colors are blended very beautifully. It is a good bloomer, on good stem and good size.

Tubers \$5.00. Plants \$2.50

INTRODUCTIONS OF 1933

SAGAMORE YELLOW GIANT. F. D. A very large flower on a great stem, 8 and 9 inches in diameter and very deep. It is a grand keeper. A light yellow and darker in the center and it grows lighter all the way out to the tips. It is better than Queen of the Garden Beautiful, and very striking. Petals are very wide and the flower makes you think of a large pond lily.

Tubers \$4.00. Plants \$2.00

SAGAMORE PURPLE. F. D. A very large, heavy, compact flower with great depth. Color true purple with lighter shadings. Does not fade and has heavy, leathery foliage.

Tubers \$3.00 Plants \$1.50

SCARLET TANAGER. F. D. The best scarlet I have seen to date. Very large and deep on good stem. This is a winner as it does not fade and keeps well. Only a few tubers for sale.

Tubers \$10.00. Plants \$5.00

WHITE QUEEN. Cac. This is a most wonderful flower. It is the largest, true cactus to date. Grows to nine inches, and very deep. It is absolutely a pure, clean white and will keep five days. Created a great deal of comment at my gardens the past season.

Tubers \$5.00. Plants \$2.50

1932 INTRODUCTIONS

INDIAN RED. F. D. A very striking flower on a good stem. A profuse bloomer until the end of the season. It is a bronze red, very odd, with old gold reverse. I am selling this cheap as there are so many reds. Try this out if you wish to see a real fall shade that is very popular.

Tubers \$2.00

LITTLE SAGAMORE. Pom. The best red pom to date. It is bright red, very small, perfect stem. Great bloomer. Enough said.

Tubers \$1.00 net

1931 INTRODUCTIONS

SAGAMORE PRINCE. F. D. The color given at the trial gardens was carmine blended with rose red, back of petals almost cream color. The first flower comes in the crotch, the rest of the flowers have good stems. Size of the flower 7 to 9 inches depth two to three and a half. Height of plant three and one half feet. It is a late bloomer, making it come in just fine for the shows. This flower is well tested as I have grown it for a number of years. It is one of the best flowers to keep. Certificate of Merit.

Tubers \$2.00

SAGAMORE GARDENS

1931 INTRODUCTIONS (Continued)

RED JACKET. F. D. This is a decorative seedling that is well liked by most of those who visited my gardens this season. It has a good, stiff stem, flower 7 to 8 inches, full and deep. Color is about the red of a veteran fireman's jacket. This has been on trial for the past four years and has grown larger each year. Height of the plant is three and one half feet. No red on the market this color.

Tubers \$1.00

SUNNY DAYS. F. D. Another fine decorative that has proved its worth in the past years. It is a light yellow with an orchid pink edge. The flowers are grown on a very long stem and blooms average about 8 inches. It is a profuse bloomer and keeps well.

Tubers \$3.00

MY INTRODUCTIONS OF 1930

ALEPPO. F. D. I believe this to be one of the best yellows on the market on account of its long, stiff stem. This dahlia has good depth and good size. Color a pure, glistening, picric yellow with fine petals. Flowers are not coarse like a lot of the yellows. Beautiful formation and fine petals

Tubers \$5.00

ANGELA MIA. F. D. The most popular white in my garden this season because it has depth. Most of the whites are not full enough. This flower is like a large ball with a stiff stem. Very free bloomer with the best of foliage. Scored 84 at Storrs.

Tubers \$3.00

MING TOY. F. D. One of the brightest and most striking dahlias I have seen. A real oriental color of velvety, pomegranate purple. Stiff stem, medium size, fine foliage.

Tubers \$2.00

MRS. FANNIE BEALS. F. D. This seedling has improved each year. It is a deep rose pink, splashed and striped tyrian rose with a faint shade of yellow near the base of the petals. It has a fine long stem and it blooms freely and very large. Fine foliage and tall plant. Nothing like it on the market.

Tubers \$1.00

PEACH BLOSSOM. F. D. A very odd and popular dahlia at my gardens. Color jasper red striped and splashed on a faint yellow background. Very striking. The blooms are large on a stiff stem. A wonderful bloomer. Plants of medium height and fine foliage.

Tubers \$1.00

SILVERY MOON. F. D. A real white that is a white. Flowers have good depth and are large but must be disbudded as it is a profuse bloomer. I had eighteen blooms on one plant. Foliage is very fine and insects do not bother it.

Tubers \$3.00

T. A. NORRIS. F. D. One of the most striking dahlias in my garden. A perfect beauty that is white, shaded and tipped light vinaceous purple. The flower is a big improvement over Shudow's Lavender in color, stem, size, foliage and keeping qualities.

Tubers \$5.00

THREE CHEERS. F. D. Named after Fred Stone's great show. A beauty. Tyrian rose, white tipped, cleft petals, very large and deep. A dandy to look at. Stem good.

Tubers \$2.50

MY INTRODUCTIONS OF 1929

PRINCE OF PILSEN. F. D. A flower of gigantic proportions. Color is rhodamine purple with silver reverse. Petals twist a little showing the silver which adds to its beauty. It has broad, overlapping petals with twisted ends and has a fine, full center. The stiff stems are from 12 to 18 inches long holding the flowers way above the foliage. The flower is deep and grows to 11 inches in diameter. Foliage is dark green and leathery and insects do not bother it. Height of plant 6 to 8 feet. This is a dandy for size and stem for anyone looking for the big ones.

Tubers \$3.00

GROW CAPE COD TUBERS — — NONE BETTER

SAGAMORE GARDENS

1929 INTRODUCTION (Continued)

SAGAMORE BEAUTY. F. D. A very handsome, deep rose pink with a small cream center. A fine cut flower and great keeper. It has a good stiff stem 10 to 12 inches in length. The flowers are held up and look right at you. It has good depth and blooms 6 to 7 inches in diameter. Foliage dark green and insect proof. Won third prize in the seedling class at Boston show in 1927 in a class of sixteen. Also won first prize at Barnstable County Fair for best decorative basket of five blooms. The only times it has been shown. **Tubers \$1.00**

New and Up-To-The-Minute Dahlias

CAVALCADE. A formal decorative of the Jersey Beauty type, size of bloom 7 to 9 inches, height of bush, 5 to 6 feet. The best stemmed variety ever grown in our gardens. Leathery foliage. The color is a beautiful shade of old rose or mulberry pink. Every flower comes perfect, facing you. A free bloomer. Without question the best commercial variety introduced since Jersey Beauty.

Plants only \$5.00 net

CHAUTAUQUA REGAL. F. D. For resistance to poor growing conditions and to insects the only dahlia to compare with this is Chautauqua Sunset which is very similar in type of bush and stem. The color is an unusually rich and brilliant cardinal red with reverse shaded ivory. Flowers are very deep and have a diameter of 10 to 12 inches. We have never, at any time seen a bloom of Chautauqua Regal with an open center. The bloom is truly magnificent, on cane stiff stems and facing the sky. Also particularly long lasting when cut. **Tubers \$10.00 Plants \$5.00**

ELEANOR ROOSEVELT. I. D. A wonderful white on grand stem. Big winner at New York and Bryn Mawr shows, also Honor Roll dahlia. **Tubers \$10.00 Plants \$5.00**

FAY BEATON. I. D. A new white from Canada. Here is a color that at once attracts, being a creamy white of most beautiful formation. The petals are long and pointed. The flowers averaging 10 inches, are held at a nice angle above a medium size bush on long stiff stems. Never droops and never shows an open center. **Tubers \$3.00**

GOLDEN ECLIPSE. F. D. Clear golden yellow, bright salmon center. Honor Roll. **Tubers \$7.00 Plants \$3.50**

HARRIET NEAL. I. D. Winner at New York. Color, gold with buff shadings. Good keeper. Great exhibition. **Tubers \$7.00 Plants \$3.00**

LADY MOYRA PONSONBY. I. D. One of the most outstanding introductions that has made good in all parts of the country. Winner of American Home Achievement Medal 1932 at Seattle and won Sweepstakes for largest dahlia in the shows at Provincial Exhibition, Victoria, B. C., Dahlia show, as well as many other prizes. A wonderful variety that will hold its place for many years. Some of the winning blooms were fifteen and one half inches across and 7 inches deep. Color is pure, glowing yellow florets broad at base but decidedly pointed. Stems are long and always hold the giant blooms perfectly erect to the end of the season. **Tubers \$4.00**

LOIS MARION. I. C. Score 85, Storrs. Citron yellow, outer rows shrimp pink. A beauty and big, too. Tall. **Tubers \$5.00 Plants \$2.50**

LORD OF AUTUMN. I. D. The color is a rich, deep, golden yellow, and the formation is wonderful. The long, pointed and slightly twisting petals recurve until stem is entirely hidden for 6 inches or more, making a flower resembling a giant "Mum". Grown side by side with the best creations, it exceeded them all in diameter and was twice as deep. Cane stiff stems, 3 to 4 feet long, hold the mammoth blooms well out of the foliage. On the American Home Honor Roll. **Tubers \$7.00 Plants \$3.50**

MAN O' WAR. I. D. Scored 86 at Storrs. Color carmine, ox blood red at center. Fine exhibition flower. **Tubers \$7.00 Plants \$3.50**

MARY ELIZABETH REDFERN. F. D. A new giant from the west with an excellent record. It won many prizes including prizes as a two and three year old seedling. The color is deep orchid rose and has fine form and foliage similar to Jane Cowl. **Tubers \$10.00 Plants \$5.00**

SAGAMORE GARDENS

MONMOUTH PENNANT. I. D. This beautiful bicolored dahlia attracted much attention in our gardens and the show room this past season. It is the most impressive bicolor among the newcomers, and one of those flashy color combinations that show all the way across the show room and the garden. The colors are orange scarlet background tipped white, and are defined sharply and evenly on each petal. Under good culture the flowers will attain to 10 — 11 inches across and 4 — 5 inches in depth, and are held well above the foliage on good stems. Plant is medium to tall grower, well branched and a profuse bloomer. Foliage tough and quite resistant to insect attacks. A beautiful dahlia that you will like very much.

Tubers \$5.00 Plants \$2.50

ORIENTAL GLORY. I. D. An orange beauty which comes to us from the Mid West. The glowing orange blooms are most attractive and we really know of nothing just like it. Stems are long with blooms nicely placed, foliage is healthy and clean. Another Certificate of Merit and Honor Roll variety.

Tubers \$10.00 Plants \$5.00

MONMOUTH SUNBURST. A glowing combination of golden bronze with salmon flushes. I have grown this dahlia at my trial gardens this past season and it is a winner. It was in the Honor Roll last season.

Tubers \$5.00 Plants \$2.50

PASTEL GLOW. I. D. The transparent dahlia. Color white with mallow purple reverse which shows through, giving a glow of orchid violet iridescence. Held against an artificial light it is enchanting and alluring. The blooms are very large and we have grown 12 to 13 inches under ordinary conditions. The blooms have flat pointed petals and it is an excellent grower. Also listed on D. W. Hart's Honor Roll.

Tubers \$5.00

RUBY TAYLOR. I. D. Ruby red to carmine. Large, on good stem. Certificate of Merit.

Tubers \$5.00

SPOTLIGHT. I. D. Very large blooms, stems long and perfectly stiff, never drooping. Color sulphur yellow shading lighter at the tips and nearly white reverse. Centers always closed. An early and free bloomer. Winner of the American Home Achievement Medal at Seattle in 1933 also other first prizes in seedling class. An Honor Roll dahlia

Tubers \$7.00 Plants \$3.50

MR. CROWLEY. F. D. Salmon pink. Tubers \$.40

MRS. ALFRED B. SEAL. F. D. This is one of the largest of the old rose colored dahlias. The flowers are huge, measuring 12 inches and of great depth and substance held proudly above a strong bush. Winner of many prizes. Tubers \$.75

GROW CAPE COD TUBERS. — NONE BETTER.

SAGAMORE GARDENS

MRS. ALFRED DUPONT. F. D. Red.	Tubers \$.50
MRS. ANNA THATCHER. H. C. New. A fine, true, clear lemon yellow on good stem. Large and deep.	Tubers \$	1.50
MRS. C. B. BENEDICT. S. C. Lemon yellow. Very large on good stem. Full center.	Tubers \$.50
MRS. ETHEL F. T. SMITH. S. C. Very large cream white on the best of stems.	Tubers \$.35
MRS. GEO. SKEINE. F. D. This is one of the best rose colored dahlias that I have seen. The blooms are large on a perfect stem, held well above the foliage.	Tubers \$.40
MRS. JOHN BRAY. Peo. A grand, odd flower. Color crimson and white blotched, spotted and splashed. No two flowers alike.	Tubers \$.75
MRS. J. K. ALEXANDER. F. D. A very large buttercup yellow, has grown to 14 inches. Has long stems, free flowering. Mr. Alexander refused \$2500 for all the stock of this dahlia.	Tubers \$	3.50
MRS. JOHN L. EMERSON. F. D. A very large, attractive yellow, overlaid carmine red. Flowers are 8 inches on a good stem.	Tubers \$.40
MRS. LEO NISSEN. I. D. A beautiful scarlet red blending to rich red at the center. Large flower on good stem.	Tubers \$.50
MRS. M. J. SCHAFFER. F. D. This is one of the best pinks to date on a long, good stem. It does not fade.	Tubers \$	2.00
MRS. ROSE K. DARNELL. F. D. The large flowers, which are very deep and of perfect formation, are of true decorative type. Have at all times thick, full centers. The stems are extra long and stiff, holding the blooms very erect which grow above the foliage on a sturdy bush of medium height, very free and open. The plant is an easy grower and a profuse bloomer. Color a rich, luminous old rose, tinted throughout on the reverse a soft tourmaline pink. A perfect dahlia in every way.	Tubers \$.75
MRS. S. B. AFFERSON. H. S. A wonderful flower of rich, dark purple measuring 7 inches in diameter with a good stem.	Tubers \$.50
MRS. W. E. ESTES. I. D. White.	Tubers \$.50
MY MOTHER. F. D. A large, heavy, high centered flower with cane stem. Color, death white with satin sheen. Looks artificial.	Tubers \$	5.00
MY PAL. S. C. An extra large and well formed flower, with high, full center and cane stem. Color, rose pink to mallow pink. A match for Kathleen Norris. I believe this dahlia will prove the best pink semi-cactus in commerce.	Tubers \$	3.00
MY PINK LADY. F. D. Orchid pink on good stem.	Tubers \$	1.00
MYRA VALENTINE. F. D. Large, golden bronze flowers on stems three feet long which carry the blooms well up and out of the foliage. A grand cut flower and exhibition variety.	Tubers \$.50
MURPHY'S MASTERPIECE. I. D. This, no doubt, is the best dark red dahlia to date. An enormous flower, growing to 14 inches on a good stem. It is an Honor Roll dahlia and has won as many prizes as any dahlia to date. This dahlia was named after the late Thomas Murphy, the originator.	Tubers \$	5.00
NANCY REDFERN. S. C. Honor Roll dahlia of great beauty. Clear bright pink with long petals, incurved at edge to darker watermelon at center.	Plants \$	2.50
NANKING YELLOW. S. C. A very large, creamy yellow on good stem.	Tubers \$	1.00
NANON LOUISE. Cac. This is a large amaranth pink made up of many small tubular petals that are spread out instead of incurving, making it a flower of large proportions. The stems are all that can be asked for. Very free with its large flower.	Tubers \$	2.00
NIFTY. Cac. Pink to orange with yellow base. Perfect, large blooms on best of stems.	Tubers \$	1.50
NOBILIS. F. D. Scarlet, heavily tipped white. Large and fine with good stem.	Tubers \$	1.50
	Tubers \$.35

SAGAMORE GARDENS

NORMA. Show. Light orange veined very lightly with a magenta color. Good stem. Tubers \$.50

OH HENRY. F. D. A sensational, fancy decorative that is very popular at my gardens. An enormous flower held on a perfect stem. The color is red and gold, variegated and spotted over each petal. Nothing like it in the market anywhere. I claim this the best novelty offered to date. Tubers \$10.00

OHIO GLORY. S. C. Chrysanthemum type flower facing right angles to stem. Varying between rhodamine-purple and tyrian-rose. Insect and disease resisting plant, with flowers 6 to 8 inches. Pleases everybody. Tubers \$.50

ORIENTAL BEAUTY. Cac. A clear, brilliant rose pink. Petals roll more than the average cactus. Has won many prizes and is one of the best cut flowers to date. Tubers \$1.00

ORIENTAL GLORY. I. D. Won first prize at the World's Fair at Chicago for the best informal decorative, also first prize at Le Porte, Indiana. Also winner of the American Home Achievement Medal and second prize for most perfect and largest bloom in the seedling class at the World's Fair. Awarded Cert. of Merit at Storrs. It is a very large, cadmium orange, overlaid with scarlet, center and reverse heavily shaded scarlet. The blooms have been grown to 12 inches on a very long, perfect stem. Foliage is good. Honor Roll. Tubers \$10.00 Plants \$5.00

ORIENTAL SPLENDOR. F. D. An extra large and heavy flower, with high, full center and cane stem. Color, rich, Oriental red, reverse old gold which tips all of the outer petals. Flower fairly glistens. Tubers \$4.00

ORINDA. F. D. A very large, one-toned mauve pink on a good, stiff stem. Gold Medal winner. Tubers \$.75

PANSY G. WHITE. S. C. A very fine yellow dahlia with long, erect stem. The best of its type. Tubers \$.75

PALO ALTO. S. C. This is a blend of coral, gold and rose. The flowers are enormous and numerous. Fine growth and foliage. Tubers \$7.00

PATRICIA ANN. F. D. A picric yellow blending into alizarine pink. Flowering habits prolific. Blooms are large on a cane stem. Cert. of Merit and prize winner at many shows. Tubers \$1.50

PEGGY. F. D. A wonderful, high centered flower with cane stems. Color, deep lavender. A beautiful flower. Tubers \$2.00

PENN CHARTER. I. D. Gold and apricot. Tubers \$1.00

PEPPERMINT CANDY. Cac. Extraordinary flower of creamy white, penciled crimson. Tubers \$.50

PERCY BLOOMFIELD. F. D. One of the most beautiful dahlias in my garden. The flowers are large on perfect stems. It is rose color with a slightly golden satiny sheen. Flowering habit prolific. You will make no mistake in buying this. Tubers \$2.00

PERK. S. C. A red dahlia darker than Elite Glory. A large flower on a good stem. Tubers \$1.00

POLAR SNOW. F. D. White. Tubers \$.25

POLAR STAR. S. C. White. Tubers \$.25

POTLATCH. I. D. Grenadine red with backs of petals pinard yellow and many petals spashed yellow. Compact bush holding blooms on good stems. Tubers \$3.00

PRIDE OF CALIFORNIA. F. D. Dark crimson. Good stem. Tubers \$.25

PRIDE OF FORT MORGAN. F. D. Intense red. Large flowers. Good stem. Tubers \$.50

PRIDE OF STRATFORD. F. D. Orange. Tubers \$.25

PRIVATE BYRON L. STREETER. F. D. Purple. Tubers \$.25

PURPLE MANITOU. F. D. Purple. Tubers \$.25

- WHITE WONDER. I. D. This is a giant that has been termed a white Fort Monmouth. One of the most popular dahlias at my garden last season. It is a fine, deep flower with firm stem and tough, heavy foliage. Tubers \$1.50
- WILL ROGERS. F. D. Dark and light lavender. Very large blooms on the best of stems. Tubers \$1.00
- YELLOW PRINCESS. F. D. A large flower of yellow shades with bronze suffusion. Perfect stem. Certificate of Merit. Tubers \$1.00

GROW CAPE COD TUBERS — — NONE BETTER

ADVANCE NOTICE

I will have the following seedlings at the Trial Gardens this coming season and they will go on the market in 1936. Dahlia growers claim these are the best seedlings I have put out yet. They are as follows:

DARKTOWN. Color a black crimson on a long wiry stem. Type, true cactus.

SAGAMORE EMPRESS. F. D. A new shade of pink. Enormous blooms, very deep, on a long, ramrod stem.

SAGAMORE DELIGHT. This is a fine, straight cactus, pink and white, on a good, long, stiff stem. Good size.

SISTER TO DARKTOWN. This is a straight cactus of medium size on fine stem, dark crimson. A good keeper and one of the favorites at my garden the past season.

WHITE CLOUD. F. D. As good a white as I have ever grown. It has everything, size, depth and is a clean, clear white in color on a perfect stem. Has grand foliage, insect proof and a real dry, hot weather dahlia. The blooms do not wilt, burn or rust in the poorest of seasons.

SAGAMORE GARDENS

POM POM DAHLIAS

The flowers are small and ball shaped, perfectly double to the center and are usually made up of many small and quilled petals.

The demand for pompom dahlias has greatly increased in recent years and they are now almost indispensable for table decorations. They may be had in almost all colors, bloom very freely and continuously, and keep better after cutting than the larger varieties. My collection of these has been carefully selected and all but the choicest varieties discarded.

12 pompoms, all different, my selection.	1.75
ALEWINE. White, flushed and tipped pink.	Tubers .30
ALICE ROCKWOOD. A pleasing shade of old rose	Tubers .30
AMBER QUEEN. Amber, shaded with apricot. Prolific.	Tubers .25
ANNA DONCASTER. Lavender, tipped tan. Fine and small on a perfect stem.	Tubers .50
ANNA VON SCHWERIN. Delicate shellpink, cream center.	Tubers .50
ARIEL. Deep orange buff. Long stems.	Tubers .30
ATOM. A tiny orange of perfect form.	Tubers .25
